

Talk to Us.

As we enter another three weeks of Lockdown we would like to reiterate how passionate we are about supporting you, our employees, our extended family.

During the current circumstances we realise that life has changed significantly and, although this is only temporary, we understand this is a difficult time and we don't want you to feel alone.

Please find below a list of contact details for our team of Community Engagement Coordinators who have volunteered their time to be at the end of the phone or on email for a friendly chat.

We have gathered information on several services we can signpost you to for specialist support, all calls / emails will remain anonymous.

We are fortunate to have each other **#togetherbell**
